OUR HISTORY:

St. Dominic is one of the founding Archdiocese of Denver parishes and the Dominican Province of St. Albert the Great.

When the Dominican Friars came to Denver before 1889, there was no thought of starting a new parish much less building a new church building. Rather, those early Friars came to Denver for the sunshine and mountain air, which was thought to be a sure cure for various respiratory ailments of the late 19th century. When Father J.T. Murphy arrived, plans were set in motion and the foundations of what would become St. Dominic Catholic Church were firmly established in 1889. The first mass was said on October 6th, 1889 in the original parish was built on 25th and Grove.
