DESCRIPTION

Our organic extra-virgin olive oil is made from Nabali olives, an indigenous Palestinian variety that produces one of highest quality olive oils in the world. This virgin olive oil is cold-pressed and full of antioxidants. It can be used for cooking, baking, and dipping. It's grown and pressed by Palestinian farmer cooperatives in the West Bank. Purchases of this olive oil help small-scale farmers who are faced with many economic challenges to survive and provide for their families.
